About

Our landscaped courtyard and garden are the perfect place to enjoy a coffee from our café or restaurant. There's table tennis, our friendly Wi-Fi cow and every Friday lunchtime a different food truck swings by to offer up the best in fresh, local food.

Plus, there's plenty of secure parking available and cycle storage for all our members. and a rental scheme available too. Our shower and changing facilities have lockable storage so you'll start the day fresh, feeling good and ready to get to work.
