About

Forge Studios give you the chance to a part of something bigger.

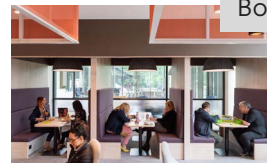

Kirkstall Forge's on-site facilities make our space the perfect meeting spot. Butler's, our bar and restaurant serve delicious food and drinks all day which can be enjoyed in your Studios or in the informal business lounge on the ground floor. Open from 8am, it keeps the Studios energised throughout the day. Our other perks make connecting with nearby cities all the easier - we have a cycle spa, showers and changing rooms, lockers, free bike and scooter hire, as well as car club.

- From 8 - 30 desks
